Exercising Your Rights Under the California Consumer Privacy Act ("CCPA")

Duncan Aviation is committed to protecting individual privacy rights. If you are a California resident wishing to exercise your rights under California law, including the CCPA, please complete the following form, select the options that apply to your request(s) and click the "Submit" button. We will promptly respond to your request. For more on our general privacy practices, please review our Website Privacy Policy.

You are not required to provide all of the information listed below, but we may not be able to respond to your request or provide you with information if we cannot verify your identity or authority. We may contact you to request more information. We will only use the information you provide to verify your identity or authority to make a request and to respond to your request.

Requestor's First Name

Requestor's Last Name

Requestor's Company (if any)

Requestor's E-mail

Requestor's Phone Number
